

## DISCUSSION MATERIAL on FOLLOW-UP ACTIVITIES

### 1. Time and venue of the Fourth NACEE Directors Meeting

#### *Venue of the meeting*

Eleven member institutions responded to the question in the discussion material related to the venue of the Fourth Directors Meeting. Eight institutions indicated that they can not host the meeting, while three others had positive responses according to the followings:

- Russian Federal Research Institute for Fisheries and Oceanography (VNIRO) is ready to host the Fourth Directors Meeting in Moscow, Russian Federation
- “Dunarea de Jos” University offered its logistic support to the organization of the Fourth Directors Meeting in Galati, Romania
- Institute for Fisheries of the Ukrainian Academy of Agricultural Sciences is ready to host the Fifth NACEE Directors Meeting in 2008 in Kiev, Ukraine.

#### *Time of the meeting*

It is advisable to hold the meeting in the last quarter of the year, when activities can be evaluated after a one year long period. It is important however to avoid overlap with major aquaculture events in particular the Aquaculture Europe 2007 conference and exhibition, which will be held in Istanbul, Turkey between 24–27 October 2007.
